

# FLOORING UNDERLAY

**Ontario and Western Canada's choice for underlay paper**

## **Wax Underlay paper**

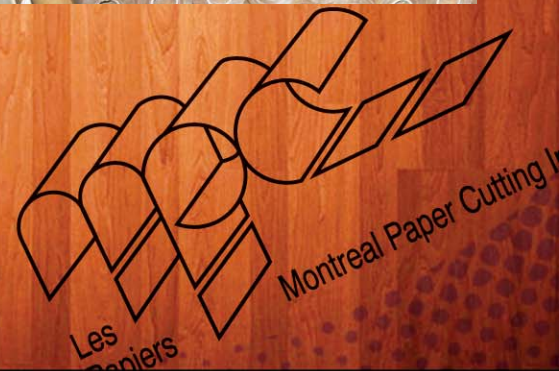

- 750 sq ft
- 38-40lb material
- Strong and durable
- Eases the installation process
- The professional choice

\*\*\* Not a vapor barrier-do not believe any supplier when they say the material acts like a vapor barrier (after all you put nails through the paper !!!)

## **Econo Wax underlay**

- 750 sq ft
- 30-35lb material
- The most economical paper on the market destroys all the competition
- Competes with all flooring paper that comes in from over seas.
- Manufactured in Canada

**MONTREAL PAPER CUTTING**

# FLOORING UNDERLAY

## Quebec's choice of underlay paper

### Latex paper

- 400 sq ft
- 85-100lb material
- Very slippery surface
- Best product for the job period !!!

### Sheathing paper

- 400 sq ft
- Protects Hardwood floors on job sites
- Goes over hardwood floors
